House Majority Leader Applauds Today's Passing of the Unemployment Compensation Bill out of the Finance & Tax Committee

Tallahassee, Fla. – Florida House Majority Leader Carlos Lopez-Cantera (R-Miami) today issued the following statement regarding the Finance & Tax Committee's passing of HB 7005 Unemployment Compensation.

"Today the Finance & Tax Committee took the next step to provide needed relief to Florida's business community. By providing critical tax relief to businesses and adjusting unemployment compensation benefits to reality, this bill directly assists over-burdened business owners who are responsible for the growth of our state's economy and getting Floridians back to work. We look forward to seeing this pro-jobs bill continue its way through the legislative process."

HB 7005 Unemployment Compensation will be heard next in the full Economic Affairs Committee.
